- We have legitimate interests in processing the data.

Where you have provided us with consent to use your data, you may withdraw this consent at any time. We will make this clear when requesting your consent, and explain how you go about withdrawing consent if you wish to do so.

Some of the reasons listed above for collecting and using personal information about you overlap, and there may be several grounds which justify our use of your data.

COLLECTING THIS INFORMATION

ARTIFICIAL INTELLIGENCE (AI)

We are harnessing the opportunities and benefits Artificial Intelligence (AI) can bring. The use of AI within our Trust is tightly controlled. We use AI to help automate some of the manual tasks we need to complete. AI helps us with data driven decision making, repetitive and rule-based tasks, and predictive analytics. We do not routinely use personal data when using AI. If we do use personal data, we ensure a Data Protection Impact Assessment has been completed to identify any risks in the process for data subjects.

USE OF AI IN GOVERNANCE AND VOLUNTEERING

At Inspire Partnership, we empower our Trustees, WATCH Partners, and Volunteers to 'Hold Leaders to Account' and strive for 'Excellence in every outcome.' To support this, we utilise governance and management platforms (such as GovernorHub, The Key, and Arbor) that may incorporate Artificial Intelligence (AI) to assist with data visualisation, predictive analytics for school improvement, and the efficient management of meeting records.

In alignment with the **Data (Use and Access) Act 2025** and **UK GDPR**, we ensure that all AI use within our governance structure is subject to strict oversight. Your personal data is never used to train external AI models. Furthermore, we maintain a strict 'Human in the Loop' policy; no decisions regarding your appointment, term of office, or performance as a volunteer are made through automated processing. AI is used solely as a supportive tool to enhance the strategic 'Collaboration' and 'Innovation' of our boards. If you have any questions regarding the digital tools used during your service, please contact the Trust Governance Professional or the Trust Compliance Officer.
